

The screenshot shows a web browser window with the URL `tryhackme.com/room/bashscripting`. The browser's address bar and tabs are visible at the top. The TryHackMe website interface is dark-themed. A green notification banner at the top right says "Woop woop! Your answer is correct." Below the navigation bar, the "Bash Scripting" room header is displayed with a "1656" likes count and a "Start AttackBox" button. A large green checkmark icon is centered above a white "Congratulations" modal box. The modal box contains the text "You've completed the room! Share this with your friends:" and buttons for "Twitter", "Facebook", and "LinkedIn". Below these buttons is a "Leave feedback" link. In the background, a list of tasks is visible, all marked as completed with green checkmarks: "Task 1 Introduction", "Task 2 Our first simple bash scripts", "Task 3 Variables", "Task 4 Parameters", "Task 5 Arrays", "Task 6 Conditionals", and "Task 7 Further reading". The Windows taskbar at the bottom shows the date and time as "07/12/2023 1:53" and the temperature as "24°C Mayorm. nublado".

The screenshot shows the TryHackMe website interface. The browser address bar displays `tryhackme.com/r/rooms`. The navigation bar includes links for Dashboard, Learn, Compete, and Other, along with a search icon, a notification bell with 3 alerts, a 'Go Premium' button, and a user profile icon showing 1 level. The main heading is 'My Rooms' with a subtitle 'All the rooms that you have joined and saved.' and a large green number '4' indicating 'Rooms Joined'. Below this is a search bar 'Find posts by a keyword...' and a toggle for 'Hide Completed rooms'. The 'Joined rooms' tab is active, showing two room cards: 'Bash Scripting' (described as a walkthrough room for bash scripting basics, with tags 'scripting', 'coding', 'bash', 'challenges', and difficulty 'Easy') and 'Linux Fundamentals Part 1' (described as an interactive terminal journey for learning Linux fundamentals, with tags 'linux', 'beginner', 'linux fundamentals', 'new', and an 'Info' link). The Windows taskbar at the bottom shows the date 07/12/2023, time 1:54, and weather 24°C Mayorm. nublado.
